

Kerala Co-operative Milk Marketing Federation Ltd.

(KCMMF), Milma Bhavan, Pattom P.O,

Thiruvananthapuram-695004 Ph: 2555980 to 985

Fax: 04712555992 Email:systems@milma.co.in

We invite your sealed offer quoting your lowest price for the design, development, hosting and Support charges for web site designing as detailed below:

Scope of work :

Home page design : The home page is to be designed as per the suggestion and satisfaction of KCMMF. The home page must be designed in such a way that it should be easily modifiable by KCMMF after uploading the content in site. Necessary training should be imparted to KCMMF staff for managing the site independently. The home page should have animation facility with flash or JQuery.

Content Management System : The web site should be equipped with an easy-to-use robust Content Management System. The CMS database should be MySql under Linux. Necessary tool should be supplied along with the web site source code for the administration of the web site. KCMMF should have the complete control over the direction of the content of the web site. The Content Management System should have the features for adding, editing and deletion of contents. The web site should be scalable to add new applications after hosting the site.

Extranet/Intranet: The proposed system should be equipped with Extranet/Intranet feature. The Extranet/Intranet sessions should be available only to web visitors/ employees of KCMMF with an approved username and password created by the administrator.

Web Hosting & Statistics: The web site developer should set up the necessary software on the web server to manage the web pages and database associated with the web site. The web site developer should provide the tool and training to KCMMF for taking backup of the website including CMS database. The web site developer should furnish the web site with online real-time web site traffic statistics to measure which pages and sections get the most usage. The statistics should include to which search engines or other (linked) web sites are driving traffic to the Milma web site.

Multi language support: The web site should have language support for English and Malayalam with English as default.

The web site should have facility to add any number of menus/pages dynamically through the CMS admin.

Delivery time: The web site development should be completed within 2 months from the date of acceptance of our work order.

Annual Maintenance Charges: The web site developer should quote the Annual maintenance charges as well as the per call basis rates.

Demonstration: You should do a demonstration of a similar content managed website at our Head Office, Pattom.

Payment Terms: 100% payment shall be released after the successful hosting of the website.

The offer for website development and hosting charges should be quoted as detailed below:

Description	Amount
Professional Design and Navigation	
Content Management System	
Internet / Extranet applications	
Web hosting and Statistics	
Extra cost for Malayalam Language Support	

You should transfer all the source code of the website to KCMMF. Once the payment is made KCMMF shall be the owner of all source code of the milma web site.
