GST No.32AAAAK5375M6ZB

3. GAURENTEE

The work should be guaranteed for the materials and workmanship for a period of one year from the date of completion.

4. PAYMENT TERMS

Payment will be released only after the completion of the entire works ie 90% will be released and the balance 10% will be released after a period of six months. Bill shall be submitted after completion of work.

General Conditions:

1. Applicable statutory deductions like GST, income tax, EPF/ ESI, Work contract tax, etc. shall be effected while settling bills. The contractors must remit ESI/EPF for the work and for their employees should produce proof of remittance to avoid the ESI deductions while submitting the bills. Submit the challan as the proof of remittance along with bills, for considering release of payment. Without the ESI/EPF remittance proof payments will be released only after cutting the ESI/EPF from the bills.
2. All essential materials required for the work shall be brought to the site before commencing the work.
3. Specifications shall be as mentioned in the schedule of quantities. In case for clarification, our Engineer shall be contacted before taking up the particular work.
4. The quantities and items of works mentioned in the schedule are tentative. Manager reserves the right to place work order for part of the schedule, depending upon the financial implications. Payment shall be effected only for those quantities actually executed at site.
5. The materials shall be inspected by our engineers before acceptance. The materials shall be of our approved make as per the schedule.
6. Each item of work shall be approved prior to commencement of the next work.
7. The contractor shall arrange for all compliance to the ESI/PF rules in force. Cattle Feed Plant shall not be liable for any benefits/compensation to the workers engaged by the contractor, in the event of accidents/mishaps etc. during execution of work. The contractor shall provide suitable safety measures to their Workers and also the plant raw materials stored in that area in case of any emergency like rain/wind etc..
8. The contractor or his workmen shall not interfere in any activity of the Plant and/or cause any damages to buildings/property. The entry of all such labourers will be on the basis of gate pass, which will have to be arranged by the Contractor prior to starting the work. In the event of any damage to Cattle Feed Plant' s property, the contractor alone shall be liable.
9. The plant day to day activities should not be effected during the course of work.
10. The work found inferior in quality/ bad workmanship the same shall be redone at contractor' s risk and cost.
