18. Assignment and sub - letting

The successful tenderer shall not assign or sub-let the contract or any part thereof or any benefit or interest therein or there under without the written consent of the company.

19. Award of Contract

KCMMF has the right to award or not to award entire quantity or partial quantity of the item to bidders based on merit. KCMMF prefers multiple suppliers at a time to ensure uninterrupted supply of bags as the requirement is comparatively at higher side. In such case, contract rates with all the suppliers will be maintained at the same level for each location and enough order quantity/weightage will be given to the lowest bidders.

Scenario 1- None of the competing bidders reduced their rates to match the L1: Place 100% order shall be placed on L1.

Scenario 2- Other bidders reduced their rates to match the L1, 60% order on L1 and 40% shall be distributed equally amongst the other bidders.

Scenario 3- Two of the competing bidders reduced their rates to match the L1, 50% order on L1 and 30% with the original L2 and 20% with the original L3.

All the above scenarios are indicative. Final decision in this regard will be taken based on actual situation and different variables and no claim from bidders for sharing of the quantity will be entertained.

20. Price Variation Clause

The price variation clause will be strictly based on account of variation in the basic price of PP Granules. Variation in the price of Bags on account of any other input costs will not be considered. Following conditions stands:

The base price of rate quoted will be basic price of P.P .Granules as on 01.10.2024, as fixed by M/s Reliance Industries and assessed by KCMF Ltd. The granule rates issued by M/s. Reliance Industries Ltd. from time to time and informed by the supplier will be used for price variation calculation.

Price revision will be effected according to revision of Granule basic price by M/s. RIL and to enable this supplier shall furnish relevant details by within two days of the revision of price by RIL showing the price applicable ex-Kochi. A copy of the price revision chart published by RIL shall also be furnished. The supplier, to avoid delay in effecting price revision shall strictly ensure this. It is the sole responsibility of the supplier to inform such reductions, if any, in time to enable price revision accordingly. **The price revision (increase/decrease) will be effected immediately on the price revision of granules by RIL. However the price revision will not be applicable for the supplies carried out by the supplier after the lead time applicable for the respective purchase orders raised by the Units. The rate of bags supplied after the applicable lead time of 20 days will be the lowest rate in its entire supply time period.**

If the delivery is within the stipulated schedule date, the price variation will be calculated based on the actual date of delivery. The pro-rata increase or decrease shall be applicable on price of bags on the above basis.

In the case of supplies which were overdue, the price variation will be applicable based on actual date of delivery or the schedule date, whichever is more beneficial for KCMF.

- a. Price variation on the Bags shall apply only on account of variation in the basic price of PP Granules. For the above purpose, Ex Kochi Works price of PP Granules of M/s Reliance Industries Ltd shall be the basis and the supplier shall timely inform the same. There shall be no variation in the price of Bags on account of increase in other input costs.
- b. The bidder should quote the rates based on the granule price as on **01.10.2024** and inform the rate rhetorically without fail.
- c. Increase in bag price as above due to granule price increase shall be allowed based on the actual date of delivery or scheduled date of delivery whichever is earlier. Decrease in bag price due to granule

price decrease shall be allowed based on actual date of delivery. The buyer shall have the right to recover it at any point of time the decrease in bag price as applicable as per the above.

21. Quality of Materials:

- i. The supplier shall warrant that the bags supplied under the contract are new, unused, incorporating all recent improvements in design and materials and conforming to the latest Standards. The supplier shall further warrant that the bags supplied under this contract shall have no defect arising from design, materials or workmanship or from any act or omission of the supplier, under normal use of the supplied bags.
- ii. The material specification is given in schedules. All tenderers are advised to study the material specification and quote for the material required. In case samples are supplied, the supply of bags thereafter should conform to the samples approved.
- iii. **KCMMF reserves the right to reject the materials supplied, if it is not in accordance with the sample approved or as per the given specification.** The successful tenderers shall at his cost take back the rejected materials within 15 days of rejection of the materials. In case the rejected materials are not removed within the time allowed, the KCMMF reserves the right to dispose it off at the risk and cost of the successful tenderer.
- (iv) KCMMF also reserves the right to terminate the contract, in case the supplies are not in accordance with the order. In such circumstances KCMMF may procure the packing materials from some other source at the risk and cost of the successful tenderer.

22. Cancellation of Contract:

After award of the contract, should it appear to KCMMF that The Successful tenderer had not commenced manufacture of the items ordered in order to ensure delivery as per the delivery schedule, The Successful tenderer is not executing the order in accordance with the contract, The successful tenderer is not adhering to the phased programme of delivery agreed or that the successful tenderer is not fast enough to ensure the completion of supplies by the time stipulated or that such period has already lapsed, the successful tenderer has refused to carry out reasonable instructions of the authorized representatives of the company, The Successful tenderer has committed any other breach of contract, KCMMF may at the expense of the successful tenderer and without prejudice to any other right of the company.

i) Take the order wholly or in part out of the successful tenderer's hands and re-contract them to any other party

or

ii) Cancel the order

and

iii) Recover any monetary loss in this regard

KCMMF shall not be liable for any loss and / or damage suffered any by the successful tenderers as a result of such action of the KCMMF. The successful tenderer shall indemnify KCMMF against any loss and/ or damages suffered by KCMMF and all liabilities imposed on KCMMF as a result of default of successful tenderer in executing the assigned work.

23. Jurisdiction

The contract shall be governed by the Indian Law and Courts at Thiruvananthapuram which will have exclusive jurisdiction.

24. Arbitration

All disputes, difference and claims arising out of or in connection with the tender and the contract there of shall be decided by the Managing Director , KCMMF Ltd or any person authorised by him whose decision shall be final and binding on the successful tenderer.

25. Lead time for supply: **20 days from the date of purchase order raised by the Unit.** Even though lead time is given for the supply, the supply shall be commenced immediately on receipt of Purchase order and shall be completed within the lead time. **However the price revision will not be applicable for the supplies carried out by the supplier after the lead time mentioned in the respective purchase orders raised by the Units. The rate of bags supplied after the applicable lead time of 20 days will be the lowest rate in its entire supply time period.**

2. The Offer must be submitted through e-tender only. The rates quoted should be only in Indian currency. Tender rates in any other currency will be rejected.
3. Intending Tenderer should upload their offer before the last date and time of Bid Closure in the e-tender. The rate would be considered firm for acceptance till the date mentioned.
4. Tenderer should submit an Earnest Money Deposit as specified. The amount must be sent by NEFT through the e-tender website www.etenders.kerala.gov.in. Cheques or DD sent directly will not be considered and the rate uploaded without transfer of EMD by NEFT as specified in e-tender site will become INVALID BID. EMD of the unsuccessful Tenderers will be returned on finalization of the tender. EMD of the successful Tenderers will be adjusted towards the security for the satisfactory fulfilment of the contract. No interest will be paid for the earnest money so deposited.

5. Tenderer must download the copies of the "Declarations, Schedules

- A, B & C and Annexure given for Agreement” and take its print out. Then duly fill the same as required and scan and upload as pdf file in Cover given for Technical Bid. The copies of the other documents asked for, also to be uploaded in a similar way, as explained above.

6. The final acceptance of the Tenders rests entirely with the Federation who do not bind themselves to accept the lowest or any Tender. But the Tenderers on their part should be prepared to carry out such portion of the supplies included in their Tenders as may be allotted to them.
7. Communication of acceptance of the Tender normally constitutes a concluded contract. Nevertheless the successful Tenderers shall also execute an agreement for the due fulfilment of the contract, within the period to be specified in the letter of acceptance. The contractor shall have to pay all stamp duty, lawyer's charge and other expenses incidental to the execution of the agreement. Failure to execute the agreement within the period specified will entail the penalties set out in Para 12 below.
 - (a) The material shall be subject to inspection and acceptance or rejection by the Managers/Unit Heads of Cattle Feed Plants, at Pattanakad & Malampuzha.
 - (b) **The inspection of entire bags arrived in one lot at the time receipt itself and accepting the item as declared good bags would be practically difficult and hence unloading will be arranged as per random checking of bags. However, any quality problem experienced at a later period (at the time of consumption of the lot) due to any manufacturing defect, such bags will be rejected and supplier has to replace this much quantity at their risk and cost. If the supplier fails to do so, the cost of such defective bags will be deducted from any of the bill pending for payment to the supplier under intimation to them and the defective bags will be disposed off the way deems to be fit .**
 - (c) The material supplied by the Contractor which in the opinion of the Unit/plant are not in order, inferior in quality or description or not in accordance with the quantities or specification as have been prescribed in that behalf or otherwise faulty unfit for use, shall be rejected in whole or part by the Senior Managers, Cattle Feed Plants. Periodic testing of samples of bags delivered by the supplier will be arranged in Government approved or other reputed Testing Institutions and any deviation in quality of bag including its prescribed strength will lead to necessary suitable action against such suppliers from the side of KCMMF as per the tender terms and conditions.
 - (d) The material so rejected shall be removed by and at the expense of the contractor within 15 days after notice shall have been given to him of the rejection. If no action is taken to remove the rejected material so, the Unit/Plant may initiate steps to remove those materials and dispose off the same in the manner he may deem fit and recover from the contractor the expenses incurred for such removal and disposal.

- (d) In case where a successful Tenderers after having made partial supplies fails to fulfil the contract in full, all or any of the materials not supplied may at the discretion of the Federation be purchased by means of another Tender/Quotation or by negotiation or from the next higher Tenderer who had offered to supply and the loss, if any, caused to the Federation shall thereby together with such sums as may be fixed by the Federation towards damages be recovered from the defaulting Tenderer.
- (e) Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the EMD based on the cost of the materials not supplied, at the rate shown in the Tender of the defaulter shall be forfeited and balance alone shall be refunded.
8. The EMD shall, subject to the conditions specified herein, be returned to the contractor within three months after the expiry of the contract but in the of any dispute arising between the Federation and the Contractor, the Federation shall be entitled to deduct out of the deposits or the balance there of, until such dispute is determined the amount of such damages, costs, charges and expenses as may be claimed. The same may also be deducted from any other sum which may be due at any time from the Federation to the Contractor. In all cases where there are guarantee for the goods supplied the EMD will be released only after the expiry of the guarantee period.
9. Ordinarily payments will be made only after the supplies are actually verified and taken to stock. Bank charges incurred in connection with payment against documents through Bank will be to the account of the contractor. The supplier will produce stamped pre-receipted invoices in all cases where payments (advance/final) for release of railway receipts/shipping documents are made through Banks. In exceptional cases where the stamped receipts of the Firms are not received for the payments (in advance) the unstamped receipts of the Bank (i.e. Counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.
10. The contractor shall not assign or make over the contract or the benefits or burdens thereof to any other persons or body corporate. The contractor shall not underlet or sub-let to any person or persons or body corporate the execution of the contract or any part thereof without the consent in writing of the Federation who shall have absolute power to refuse such consent or to rescind such consent (if given) at any time if the Federation is not satisfied with the manner in which the contract is being executed and no allowance or compensation shall be made to the contractor/ the sub-contractor upon such rescission, provided always that if such consent be given at any time, the contractor shall not be relieved from any obligation, duty or responsibility under the contract.
11. In case the contractor becomes insolvent or goes into liquidation, or makes or proposes to make any assignment for the benefit of his creditors for the settlement of his debts or carries on his business or the contract under inspection on behalf of his creditors or in case any receiving order or

orders for the administration of his estate are made against him, or in case the contractor shall commit any act of insolvency or in case in which under any clause or clauses of this contract the contractor shall have rendered himself liable to damages amounting to the whole of his security deposits, the contract shall thereupon, after notice given by the Federation to the contractor, be determined and the Federation may complete the contract therefore committed by the contractor. All expenses and damages caused to the Federation by any breach of contract by the contractor shall be paid by him to the Federation and may be recovered from him under the provisions of the Revenue Recovery Act in force in the State.

12.

- (a) In case the contractor fails to supply and deliver any of the said articles and things within the time provided for delivery of the same, or in case the contractor commits any breach of any of the covenants, stipulations and agreements herein contains, and on his part to be observed and performed, then and in any such case it shall be lawful for the Federation (if they shall think fit to do so) to arrange for the purchase of the said articles and things from elsewhere or on behalf of the Federation by an order in writing put an end to this contract and in case the Federation shall have incurred, sustained or been put to any costs, damages or expenses by reason of such purchase or by reason of this contract having been so put an end to or in case any difference in price, compensation, loss, costs, damages, expenses or other moneys shall then or any time during the continuance of this contract be payable by the contractor to the Federation under any virtue of this contract, it shall be lawful for the Federation from and out of any moneys for the time being payable or owing to the contractor the Federation all such costs, damages, and expenses they may have sustained, incurred or been put to by reason of the purchase made elsewhere or by reason of this contract having been so put an end to as aforesaid and also all such difference in price, compensation, loss, costs, damages, payable by the contractor aforesaid.
- (b) In case any difference or dispute arises in connection with the contract, all legal proceedings relating to the matter shall be instituted in the Court at the Head quarters of the Federation i.e Thiruvananthapuram.

13. Any sum of money due and payable to the contractor (including EMD returnable to him) under this contract may be appropriated by the Federation or any other person authorized by the Federation and set off against any claim of the Federation for the payment of a sum of money arising out of or under any other contract made by the Contractor with the Federation. Any sum of money due and payable to the successful Tenderer or contractor from the Federation shall be adjusted against any sum of money due to the Federation from him under any other contracts.

14. Every notice hereby required or authorized or be given may either be given to the contractor personally or left at his residence or last known place of abode or business, or may be handed over to his agent personally, or may be addressed to the contractor by post at his usual or last known

place of abode or business and if so addressed and posted, shall be deemed to have been served on the date on which, in the ordinary course a letter so addressed and posted would reach his place of abode or business.

15. (a) The Tenderer shall undertake to supply materials according to the standard sample and/or specifications.
 - (b) Quantity of item required is indicated in this tender. However, the quantities thus indicated shall be increased or decreased at the sole discretion of the Federation and if such changes are made it would not have any bearing on the rates quoted by the Tenderer.
 - (c) The Tenderers may quote based on the mode of transport they propose to choose for the despatch of the tendered items and it shall be the responsibility of the Tenderers to despatch material by any mode of transport that will be stipulated by the Federation in the firm purchase order. The items offered must be securely packed in transit-worthy packing/case/containers to withstand rough handling and all transit hazards en route.
16. Any attempt on the part of the Tenderers or their agents to influence the Federation in any manner in their favour will disqualify the Tenderers.
 17. Tenderers should be prepared to accept orders subject to the penalty clause for forfeiture of EMD in the event of default in supplied or failure to supply within the stipulated period.
 18. Samples of each category should be forwarded before the uploading of the tender online and to reach our Office at Trivandrum as specified. Samples sent by post & courier should be so despatched as to reach the Federation not later than the date on which specified above. The Federation will not be responsible for any sample found missing. **Tenders for the supply of materials without samples will not be considered**
 19. Telegraphic/fax quotations will not be considered.
 20.
 - a. The prices quoted should be inclusive of GST, which are or may become payable by the contractor under existing or future laws or rules of the country of origin/supply or delivery during the course of execution of the contract.
 - b. The price quoted should be on F.O.R. Destination basis and the supplies will have to be effected anywhere in Kerala or at Custom packing station at Erode as indicated in the firm order. The price should be inclusive of taxes, duties, packaging and forwarding charges, freight and insurance on warehouse-to-warehouse basis.
 21. The terms and conditions mutually agreed upon shall be subject to Force Majeure Clause. Neither the supplier nor purchaser shall be considered in default in performance of its obligations if such performance is prevented or delayed because of war, hostilities, revolution, civil commotion, strike, epidemic, accident, fire, storm, flood, earth-quake or because of any

law/order, proclamation, regulation, or Ordinance of any Government or any Act of God or of any other clause whether or similar or dissimilar nature beyond the reasonable control of the party affected. Should one or both the parties be prevented from fulfilling his/their con-actual obligation by a State or Force Majeure lasting continuously for a period of six months, the two parties should consult with each other regarding the future implementation of the Agreement.

22. Special conditions, if any, of the Tenderers attached with the Tender will not be applicable to the contract unless they are expressly accepted in writing by the Federation.
23. In case of any dispute, the Registrar of Co-operative Societies of Kerala State shall be the sole arbitrator as per the provisions of Kerala Co-operative Societies Act 1969.
