1. All bids must be accompanied by the **Bid security (EMD)** specified in the tender notice.
2. The bidder should be in business in the same field for a minimum of 3 years.
3. Bidder shall have completed at least one project of similar nature.
4. Applicable statutory deductions like GST, income tax, sales tax, EPF/ ESI, Work contract tax, etc. shall be effected while settling bills. The contractors must remit ESI/EPF for the work and for their employees should produce proof of remittance to avoid the ESI cutting while submitting the bills. Submit the Chellan as the proof of remittance along with bills, for considering release of payment. Without the ESI/EPF remittance proof payments will be released only after cutting the ESI/EPF from the bills.

5. All essential materials required for the work shall be brought to the site before commencing the work.
6. GST registration details and copy of bank passbook.
7. Income tax, ESI and other applicable statutory deductions shall be affected while settling bills.
8. The plant day to day activities should not be affected during the course of work.
9. The work found inferior in quality/ bad workmanship the same shall be redone at contractor's risk and cost.
10. The contractor shall arrange for all compliance to the ESI/PF rules in force. Cattle Feed Plant shall not be liable for any benefits/compensation to the workers engaged by the contractor, in the event of accidents/mishaps etc. during execution of work. The contractor shall provide suitable safety measures to their Workers and also the plant raw materials stored in that area in case of any emergency like rain/ wind etc..
11. The contractor or his workmen shall not interfere in any activity of the Plant and/or cause any damages to buildings/property. The entry of all such labourers will be on the basis of gate pass, which will have to be arranged by the Contractor prior to starting the work. In the event of any damage to Cattle Feed Plant's property, the contractor alone shall be liable.
12. Bills shall be prepared in duplicate in the name of Manager, KCMF LTD, Cattle Feed Plant, Malampuzha, Palakkad.
13. For the supply of materials, the sum payable for such materials shall not exceed 75% of the total bill amount. The balance amount and the installation charges will be released only after the successful completion of the work as per the terms and conditions specified.
14. The entire work executed should be guaranteed for a period of **Three years** from the date of completion for quality and workmanship.
15. In case the work is not completed within the stipulated period of completion the liquidated damage will be levied @1% per week for the value of the portion of the work so delayed subject to a maximum of 10% of the order value.

16. The work should be carried out in consultation with the Manager, Cattle Feed Plant, Malampuzha or the authorized representative of Manager, Malampuzha and should be strictly as per the specification and directions.
17. The undersigned reserves the right to accept any quotation in part or full.
18. The undersigned reserves the right to accept or reject any or all quotations without assigning any reason whatsoever and no explanation can be sought on this account.
19. All the materials to be used are approved make and quality. Before supply of materials obtain necessary approval from the engineer in charge.
20. **Payment: 95% of the total amount will be released on the completion of work and the remaining 5% will be released only after the looking period of one year from the date of completion.** However the entire work must be guaranteed for minimum two years after the completion of work for quality and workmanship. In case any work or part thereof is found defective due to the substandard material, bad workmanship, the same shall be repaired /replaced by the contractor without any extra cost during the guarantee period and the entire expenditure towards such repair/replacement shall be borne by the contractor.
21. The rate quoted shall be inclusive of all applicable taxes and duties, ESI contribution, material cost including transportation to the site, loading and unloading charges and nothing extra will be paid on any account.
22. All safety measures shall be taken for the work like including safety belts, scaffolding's etc. Work permit shall be taken before the commencement of work. All risk shall be covered by contractor as per norms.
