Sub:-Enquiry for Temporary Water Supply Arrangement for the entire plant during the Refurbishment of existing Overhead Tank at Boiler Building at our Cattle Feed Plant.

Quotations are invited from experienced individuals/contractors for Temporary Water Supply Arrangement for the entire plant during the Refurbishment of existing Overhead Tank at Boiler Building at our Cattle Feed Plant Pattanakkad.

Scope of work

The scope of works includes supply of labour, materials, scaffolding, ladder, tools and tackles etc. for the installation of Temporary Water Supply Arrangement.

Schedule of quantity.

The specification for each item of work and schedule of quantities are given in the enclosed annexure.

PRICE

Prices and charges quoted shall be firm and fixed during the entire period of contract and shall not be subject to any variation or escalation whatsoever on any account. The prices quoted shall be for the entire work (supply & installation) including all taxes and duties, insurance charges, Gst etc. for site basis.

General Conditions

1. Interested contractors are requested to visit the site during working days from 10AM to 4PM before posting the quotation.
2. All materials, tools, tackles, scaffolding, ladder, safety belts etc. required are to be arranged by the contractor and all safety measures required for the workers engaged shall be taken care of by the contractor.
3. Entry of materials to the plant should be arranged based on Gate Pass.
4. The entire work shall be completed within 15 days from the date of receipt of the work order.
5. Work found inferior in quality/workmanship on completion shall be redone at contractor's risk and cost.
6. Each item of work shall be approved prior to commencement of the next work.
7. The contractor will be permitted to carry out the work only after the receipt of work permit issued by our Maintenance Engineer. The validity of the permit is one day only; if the work is not completed within a day a fresh permit shall be taken on next day.
8. The contractor shall arrange for all compliance to the ESI/PF rules in force. Cattle Feed Plant shall not be liable for any benefits/compensation to the workers engaged by the contractor, in the event of accidents/mishaps etc. during execution of work. The contractor shall provide suitable safety measures to Workers.
9. The contractor or his workmen shall not interfere in any activity of the Plant and/or cause any damages to buildings/property. The entry of all such laborers will be on the basis of gate pass, which will have to be

arranged by the Contractor prior to starting the work. All the works must be carried out without affecting the plant daily operations. In the event of any mishap happened the contractor alone shall be liable.

10. Income tax, work contract tax, ESI on the labour part and other applicable statutory deductions if any shall be affected while settling bills.
11. 95% payment will be released after satisfactory completion of the entire works and submission of bills and the balance 5% will be released only after the guarantee period of 3 months.

The sealed quotation/duly filled annexure shall reach our office on or before 2 pm on 13.10.2025 and will be opened at 3:00 pm on the same day.

The Manager reserves the right to accept any or reject all the quotations without assigning any reasons.
