23.10.2025

Kerala Co-operative Milk Marketing Federation Ltd., Central Products Dairy, Punnapra P.O, Alappuzha invites competitive quotations from experienced contractors for Annual Contract for Re-winding and Repairing of various types of electric motors at Central Products Dairy, Punnapra P.O, Alappuzha subject to the following terms and conditions.

Scope of work:

Complete removal of the damaged winding from the electric Motor, cleaning the slots, degreasing with suitable solvents, rewinding with super enameled copper wire and class 'F' insulating materials, drying, impregnating with Dr. Beck's insulating varnish, baking, epoxy coating, assembling with fresh lubrication to the bearings, testing on no load and with load, trial run and commissioning of the motor. The works also include replacement of bearings, terminal block, terminal cover, terminal link, cooling fan, fan cover, oil seal, water seal, water guard, gland bush, gland packing, capacitor, nut & bolts and other spares if required, overhauling and re-conditioning, changing of gland packing, if required in case of pump sets and painting of the motors and pumps.

Terms and Conditions.

1. The rate quoted shall be inclusive of all charges including to and fro transportation and nothing extra shall be paid. However, the salvaged copper shall be your property.
2. Motors to be re-wound shall be lifted from our Plant on intimation from us, not later than 24 hrs and returned after rewinding as per the time schedule given below:

a) Up to 1 HP	:	Within two days.
b) 1.5. HP - 5 HP	:	Within three days.
c) 7.5 HP – 25 HP	:	Within four days.
d) 40 HP -100 HP	:	Within 5 days.
- 3) **Guarantee:** The rewinding works carried out by you shall be guaranteed for a period of 6 months from the date of receipt of the motor after rewinding. Any defect noticed during this period due to poor workmanship/inferior quality of material used shall be rectified free of cost.
- 4) The cost of spares like bearings, terminal block, terminal cover, terminal link, cooling fan, fan cover, oil seal, water seal, water guard, gland bush, gland packing, capacitor, nut & bolts and any other required components, shall be quoted along with the rates. As the industrial machine works for setting these components cannot be done in our dairy workshop, you shall quote for the necessary industrial works required for the repairing of the motor.
- 5) After completion of rewinding and testing, the motor body shall be cleaned, primed, and painted if required, using industrial-grade enamel paint of approved color and finish. The paint shall provide adequate corrosion resistance and durability suitable for dairy plant environments. Nameplate details and terminal markings shall remain clearly visible after painting. The painting work will be included in the quoted rate for each motor.
- 6) The contractor shall make necessary arrangements for pickup and delivery of motors from/to the Dairy premises.

- 7) The rate shall be quoted for re-winding after taking in to account the salvaged copper wire.
- 8) Adequate test facility should be available at your workshop.
- 9) Almost all motors mentioned in the list are covered under Breakdown Insurance Policy. Therefore you have to make facilities at your unit for the inspection of motors before rewinding. Inspection will be done by authorized representative from the Insurance Company.
- 10) After receipt of work order for the contractg, you have to furnish a performance security deposit of Rs.10,000/- (Rupees Ten Thousand only) to Central Products Dairy, Punnapra within ten days after finalizing the contract. The performance security shall be in the form of Bank transfer / Bank Guarantee in favor of Managing Director, Kerala Co-operative Milk Marketing Federation Limited. The bank guarantee from a nationalized bank shall be valid for the entire period of contract period plus further period of extension of contract. Interest for security deposit will not be paid. The security deposit will be refunded only at the end of the successful completion of the contract period. The security deposit will be forfeited in favour of KCMMF Ltd., Central Products Dairy, Punnapra in case of any violation of the terms and conditions or abandoning of the contract by the contractor.
- 11) **Payment:** Full payment of the invoice will be released within fifteen days from the date of receipt of the motor against your invoice and after quality verification of the motor rewound.
- 12) **Safety Measures :** The contractor shall ensure compliance with all safety standards during motor dismantling, rewinding, and testing operations. The contractor shall arrange for all compliance to the ESI/PF rules in force and Central Products Dairy, Punnapra shall not be liable for any benefits/compensation in the event of accident/mishap, injury etc suffered by the workmen engaged by the contractor to provide suitable safety measures to the workers engaged by him. It will be the contractor's responsibility to meet all the claims for compensation under Workmen Compensation Act, ESI or under any law in respect of the above.
- 13) **The sealed quotations shall reach our office on or before 2.00 PM on 03.11.2025 and will be opened at 2.30 PM on the same day.**

The undersigned reserves the right to reject any or all the quotation without giving any reasons and no explanations can demand for such rejections.

MANAGER.
