TENDER NOTICE

Sealed quotations are invited from licensed contractor for the annual maintenance and cleaning of the 2 Nos. of boilers in Cattle Feed Plant, Malampuzha P.O., Palakkad as per the terms and conditions furnished below.

SCOPE OF WORK

Annual cleaning and maintenance of our 2 Nos. of Thermax MXP-20/10.54/109 and 108 horizontal multi tubular shell type smoke tube boilers of capacity 2000 kg/hr each in connection with annual inspection by the inspector of Factories and Boilers. The works include chemical cleaning at water side with trisodium phosphate, internal and external cleaning of fire tubes, Pre heater , furnace cleaning, removal of all Boiler mountings, servicing/overhauling of all the mountings and fittings, refitting the same with new gaskets after servicing, cleaning the shell with T.S.P. and arranging the hydraulic test and inspection by Inspector of Factories and Boilers, Palakkad. The scope of works also includes arresting water and steam leakages if any relating boiler lines including the supply of required materials, internal cleaning of flue gas ducts and chimney bottom.

No of Boilers: 2 No.

General Conditions

1. Applicable statutory deductions like GST, income tax, sales tax, EPF/ ESI, Work contract tax, etc. shall be effected while settling bills. The contractors must remit ESI/EPF for the work and for their employees should produce proof of remittance to avoid the ESI cutting while submitting the bills. Submit the Chalan as the proof of remittance along with bills, for considering release of payment. Without the ESI/EPF remittance proof payments will be released only after cutting the ESI/EPF from the bills.
2. All essential materials required for the work shall be brought to the site before commencing the work.
3. Specifications shall be as mentioned in the schedule of quantities. In case for clarification, our Engineer shall be contacted before taking up the particular work.
4. The quantities and items of works mentioned in the schedule are tentative. Manager reserves the right to place work order for part of the schedule, depending upon the financial implications. Payment shall be effected only for those quantities actually executed at site.
5. The materials shall be inspected by our engineers before acceptance. The materials shall be of our approved make as per the schedule.
6. Each item of work shall be approved prior to commencement of the next work.
7. The contractor shall arrange for all compliance to the ESI/PF rules in force. Cattle Feed Plant shall not be liable for any benefits/compensation to the workers engaged by the contractor, in the event of accidents/mishaps etc. during execution of work. The contractor shall provide suitable safety measures to their Workers and also the plant raw materials stored in that area in case of any emergency like rain/ wind etc.
8. The contractor or his workmen shall not interfere in any activity of the Plant and/or cause any damages to buildings/property. The entry of all such labourers will be on the basis of gate pass, which will have to be arranged by the Contractor prior to starting the

work. In the event of any damage to Cattle Feed Plant's property, the contractor alone shall be liable.

9. Income tax, ESI and other applicable statutory deductions shall be affected while settling bills.
10. The plant day to day activities should not be affected during the course of work.
11. The work found inferior in quality/ bad workmanship the same shall be redone at contractor's risk and cost.

TERMS AND CONDITIONS

1. The work contract includes the supply of all required materials and consumables like T.S.P, Hydraulic pumps, nuts, bolts, brushes, metallic packing, 3/4" gauge glass sleeve, 3/4" cone washer and 3/4 " gauge glass and tools and tackles etc. The supply of all materials as per boiler standards and IBR approved.
2. The entire works including the inspection of the first Boiler K-1024 should be completed on or before **14.10.2021** and the 2nd Boiler K-1043 should be completed on or before **05-11-2021**
3. Inspection Fee shall be paid by us. Inspection related expense like documentation work, conveyance, food etc in contractor scope.
4. Work contract tax, E.S.I contribution, GST and other statutory recoveries if any shall be deducted from your bill.
5. All the works shall be carried out as per the directions of our Engineer and you should follow the safety regulations of our company.
6. Payment will be released only after the completion of entire works and on receipt of **firing certificate** from the Inspector of Factories and Boilers.
7. You shall guarantee to rectify any defects noticed in your works due to bad workmanship within 6 months from the date of completion of the work. ***An undertaking in this regard shall be submitted along with your invoice for effecting payment.***
